**Notes:**

- Investment to these sports has been made directly to elite athletes and coaches.
- Investment to NSODs represents a sport grant to the organisations.
- The ASC implemented a new participation categorisation framework effective July 2016. 2016/17 was a transition year to the new framework and all ASC funded NSOs were advised in June 2015 of their nominal funding for 2016/17. All sports received this funding allocation with the exception of the sports moving up participation categories in 2016/17 and the A\* sports.
