MYGOLF SCHOOLS PROGRAM

The MyGolf Schools Program is a teacher/coach delivered five-session in school program designed to introduce students to the basic skills of golf. The program has been aligned to the national ACARA curriculum and lesson plans have been designed to ensure specific learning outcomes are met.

Sporting Schools Funding

An Australian Government initiative, Sporting Schools offers schools access to funding to deliver NSO endorsed sports programs. Golf Australia and the PGA offers registered schools the opportunity to partake in the MyGolf Sporting Program.

Schools receive:

- 4 week ACARA aligned program
- Access to Golf Australia endorsed coaches
- MyGolf School kit
- Transport for optional golf club visit

Schools can apply for funding by going to **www.sportaus.gov.au/schools/golf**. Schools can utilise their own coaches (School Ambassadors) who can run the programs themselves and limit the cost significantly.
