

SPORTING SCHOOLS YEARS 9 AND 10 PROGRAM PARAMETERS

The parameters describe the required characteristics of Sporting Schools Years 9 and 10 activities.

Delivery period

All Years 9 and 10 activities must occur before, during, or after school in Term 3, 2023.

Delivery

> Schools must deliver a Years 9 and 10 activity in one or more of the product categories:

Capability Building: support the growth and development of teachers and students.

Program Delivery: support the involvement of students in sport.

Event Delivery: maximising student involvement in sport.

- Using a Years 9 and 10 national sporting organisation (NSO) or national sporting organisation for people with disability (NSOD) partner that delivers a Years 9 and 10 activity.
- Activity that has a minimum of four hours total can be 4 x 1 hour sessions; 1 x 4 hour session, or variation thereof.

- > Each activity must support Years 9 and 10 students to be involved in sport, including playing, officiating, coaching or volunteering:
 - Be delivered by a coach/s or accredited teacher/s
 - Have the same participants taking part
 - Have a minimum of 10 participants
 - Engage participants of all abilities
 - Actively engage participants for the duration of the session/s.
- > Activities must be free to participants.
- > Schools must ensure active supervision is provided for activities in addition to the coach.
- > Activities must be complimentary to existing sport and physical education curriculum.

Bookings

Contact our NSO/D partner sports using the contact details on the Years 9 and 10 program **webpage** to make a booking or enquiry.

Reporting

Complete an end report and acquittal using the SmartyGrants website once the activity has concluded.
