

CLUB CONNECT

PARAMETERS

The parameters describe the required characteristics of Sporting Schools Club Connect activities.

Delivery period

- All Club Connect activities must occur during Terms 3 and/or 4, 2021.

Delivery

- Schools must deliver a Club Connect activity:
 - using a Club Connect partner or an affiliated sporting club that delivers a Club Connect sport
 - that has a minimum of four sessions.
- Each session must:
 - be delivered by a coach
 - have the same participants taking part
 - have a minimum of 10 participants
 - engage participants of all abilities
 - actively engage participants for the duration of the session (i.e. minimum 45 minutes).
- Activities must be free to participants:
 - schools must not request payment from students or families; and
 - cannot be incorporated into a before or after school program where families pay to access the service.
- Activities must be delivered outside of school hours:
 - Club Connect activities cannot be a substitute for programming that already occurs outside of school hours, including before or after school care.
 - schools registered as a Special School with their respective school registration authority may deliver programs before, during or after school.

- Activities must be delivered:

- on school grounds – where appropriate – or a suitable local facility
- with appropriate equipment.

- Schools must maintain 'duty of care' responsibilities and ensure the activity is delivered safely:

- ensure appropriate supervision ratios in addition to the coach.
- encourage maximum participation, support behaviour management and ensure Playing for Life principles are applied.
- ensure appropriate standards of care are implemented e.g. work, health and safety, risk management policy and procedures.

Bookings

- Contact our Club Connect partners using the contact details on the Club Connect webpage to make a booking or enquiry.

Reporting

- Complete an end report and acquittal using the SmartyGrants website once the activity has concluded.
