2. ABOUT THE GRANT PROGRAM

Sporting Schools Club Connect will enable primary schools to build on their involvement in the Sporting Schools program by establishing and building on relationships with local sporting clubs.

Eligible schools can apply for a Club Connect grant of \$5,000 (GST exclusive) to deliver an out of school hours sport program by engaging a Sporting Schools partner national sporting organisation (NSO) or an affiliated local sporting club that delivers a Sporting Schools Club Connect sport.

The focus of the initiative is to support primary school students to transition from a school-based sporting program to participating at their local sporting club, promoting a lifelong engagement in sport.

The objectives of Sporting Schools Club Connect are to:

- increase the number of children participating in club sport.
- raise awareness of local club sport opportunities amongst the school community.
- promote the benefits of sport to parents and carers of children.
- build relationships between schools, parents and carers, and local sporting clubs.
- engage local clubs in the delivery of Sporting Schools.

2.1 SPORTING SCHOOLS PROGRAM

Sporting Schools is an Australian Government initiative designed to help schools increase children's participation in sport and connect them with community sporting opportunities.

As Australia's largest school-based sports participation program, Sporting Schools has funded over 8,000 schools since commencing in 2015. This has provided more than 10 million participant opportunities to get students active, engaged and having fun while sampling a variety of different sports. Sporting Schools programs are provided to children at no cost to their families.

3. GRANT AMOUNT AND GRANT PERIOD

The Australian Government announced \$39.6 million for the Sporting Schools program for 2021. Up to \$2 million is available for Sporting Schools Club Connect.

Club Connect activities can be run over Terms 3 and/or 4 2021, with schools eligible to apply for a single grant. Funds or delivery cannot be spent in school terms outside the funding period.

\$5,000 (GST exclusive) per grant is available through Club Connect.

An additional \$1,000 (GST exclusive) may be available to successful schools that choose to engage a sport that requires a supplementary grant. Refer to section 6.1 for details on applying for a supplementary grant.
